Certificate validity

The manufacturer is responsible for ensuring that the Approved Body is advised of changes to any aspect of the overall processes utilised in the manufacture of the product, failure so to do could invalidate the Certificate in respect of production following the introduction of such changes.

Monitoring of Manufactured PPE

The validity is also dependent on the maintenance of the UKCA Conformity to Type based on Quality Assurance of the production process, Annex VIII (Module D) as referenced on BSI issued Certificate UKCA 745081.
